Library services to support Module Leaders

Carol Hart

Subject Network Librarian

Who are we and what do we do?

- Subject Network Librarians work in APs
- 7 SN Librarians
- Liaise with MLs and FOs when modules are developing/changing
- Check CUR03s and proposed reading lists
- Advise on resources – costs, availability, etc.

Who looks after my subject?

Carol Hart:

Business, Leisure and Tourism; Humanities, Education & Gaelic (supported by **Martin Cameron** for Theology and **Cairistiona Cain** for Gaelic)

Morag Llewellyn:

Science, Technology and the Environment

John Dare:

Engineering and the Built Environment

Alison Kilgour:

Creative Industries

Chris O'Malley and Rob Polson:

Nursing and Midwifery

Kathleen Connor:

Applied Life Studies

Reading lists

- Core (3) and Recommended (20)
- [Rebus List](#) (soon to be KeyLinks)
- Communication is important
- Changes to **Semester 1** modules should be communicated to the SN Librarian by **15th March**, and **Semester 2** changes should be communicated by **15th October**
- SN Librarians construct/update lists
- Students can search lists by ML name, module code or a single word from the module title!

Other Library resources/services

- [MultiSearch](#)
- [LibGuides](#)
- [Copyright advice](#)
- British Library/Second Extract Service
- Digital Content Store (coming soon!)

Want to know more?

- SharePoint – Teaching resources/Library services
- Library service [web page](#)
