

# University Mentoring Scheme: Spotlight Month

During April 2021 we shared news, resources and reflections on how the Scheme has supported colleagues throughout the last year

## News and resources

### Virtual mentoring circles

Group mentoring to support staff in the move to online learning

[More about mentoring circles](#)

### Reflections

Mentoring Scheme Leads reflect on different aspects of the Scheme through a series of blog posts

[LTA blog site](#)

### e-book

*Bhutan: Ways of learning and teaching.*

UHI mentors supported authors through a mentoring circle and one to one mentoring.

The chapter 'Establishing collective ways of mentoring' explores this mentoring further.

### Good practice case study

Non-directive coaching approaches by Stephen Gertsen

[Read the case study](#)

### Mentoring stories

Capturing experiences of mentors and mentees across all strands of the Scheme

[Read the stories](#)

01

#### Exploring mentoring circles

Mentoring Scheme Leads reflect on a new type of mentoring support

[Read the blog post](#)

02

#### Mentoring partnerships across disciplines

Heather Fotheringham considers what makes a successful mentoring partnership

[Read the blog post](#)

03

#### Using synchronous technologies to support mentoring

Alex Walker considers how use of synchronous technology has supported mentoring in our geographically distributed context

[Read the blog post](#)

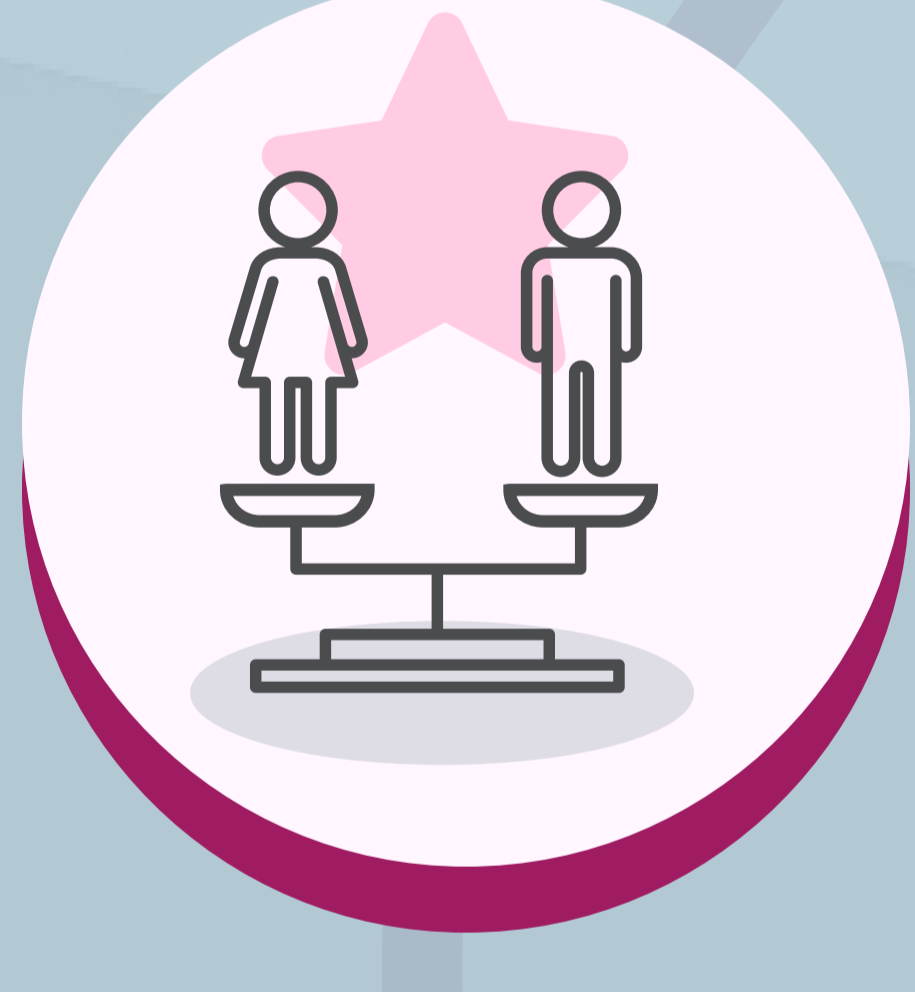

## Blog posts

Reflecting, and enhancing our own and others' practice

Commitment to self development

Championing diversity and inclusion

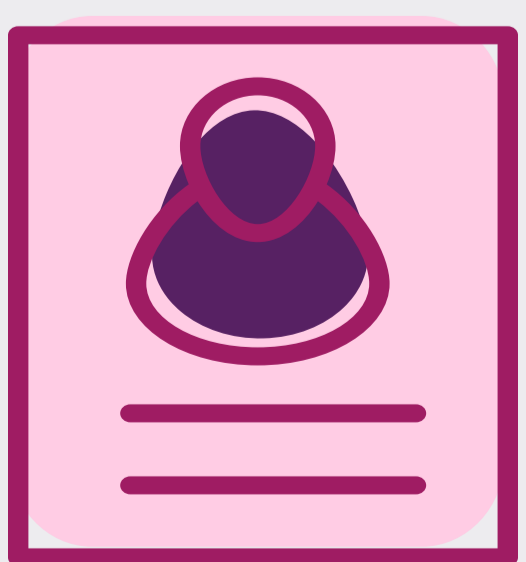

Building and respecting the mentoring partnership

Taking a professional and ethical approach

## University Mentoring Scheme Values
